

"I am invited to my first Halloween party. Everyone will be wearing costumes. What should I wear? What should I be?" Lacey thought and thought.

Nothing came to mind.

"I know! I'll ask PeeWee what I should be. I know she'll have a great idea."

"PeeWee, I am invited to my first Halloween party. It's in seven days. What do you think I should be?"

“Lacey, you must be a princess!

You get to wear a pretty gown and a golden crown. Kiss a frog. You *might* turn him into a handsome prince. Best of all, you’ll always be first in line for treats!”

Will Lacey be a princess for her first Halloween party?
